Lisa Potter - Broker/Realtor I have 20 years of corporate and small business experience and committed to excellence and will ensure that you make the best possible real estate choice for your needs. I have developed a keen ability to help others build upon their dreams and goals. By combining my experiences in business and real estate, I am able to offer buyers and sellers the best of both worlds. I have a particularly strong gift in new construction and I stay abreast of new trends in residential building by educating myself with the market and by knowing the products. I have a heart for workforce housing to help provide safe and quality housing for everyone. I am very active in the affordable housing coalitions in both Brunswick and New Hanover County. I work closely with local non-profits to help find ways to give back to our communities. Buying a home is both an emotional and financial decision and I deliver win/win on both fronts. I want all my clients to experience life in sought after locations with the best property values, top-notch golf courses, and proximity to all the conveniences the coast has to offer. Let me "point you the way home" whether it is your primary home or your vacation home. Dedicated to serving your real estate needs in Brunswick and New Hanover County.
